

“Millions of patients in developing countries rely on affordable generic medicines manufactured and supplied by Indian generic companies to stay alive. But Europe is pushing for Free Trade Agreement with India that will cut off people’s access to these life saving medicines” TAKE ACTION NOW!

*Indian Medical Parliamentarians' Forum
cordially invites you to an interactive briefing session
with fellow parliamentarians and experts on*

*“The Future of Access to Medicines”
India – EU Free Trade Agreement (FTA)*

Date: 8th December 2010

Time: 5.30 – 7.30 p.m.

Venue: Constitution Club

Please join us for Dinner after the Session
