Meeting of Shri Srikanta Jena, Hon'ble Minister of Statistical and Programme implementation with PG MDG

A meeting was organized at the residence of Dr Najma Heptulla on 13 March 2013 to bring together Parliamentarians into the dialogue to influence the post-2015 development agenda from the perspective of mainstreaming the concerns of the most marginalised and the disadvantaged. The meeting was chaired by Shri Srikanta Jena, who interacted with the MPs, the CSOs and other invitees. This meeting was the logical continuation to the Dhaka Parliamentarians' Meet on Post MDG agenda. This was the follow up of the meeting in New Delhi in January 2013 where a group of civil society leaders and select MPs got together to take this initiative forward in a more sustained and substantive manner. It was agreed that there is a need to engage with other key stakeholders such as the Ministry of External Affairs in order to ensure that the recommendations can be followed through with concrete action.

It was decided that CLRA will take the initiative to organize the meetings with the Ministry of External Affairs (MEA) and mobilize both MPs and members of Civil Society Organisations (CSOs) to be a part of the delegation to the MEA. A decision was also arrived at to raise the issues of fulfillment of MDGs and formulation of Post MDG agenda during the budget session of the Parliament.
